## Acknowledgment and Authorization

I certify that the financial information provided in the MFIP Application and Borrower Financial Statement, is true and is accurate account of my financial condition.

I consent for my mortgage servicer, mortgage insurer, to engage in discussions and negotiations with me or my designated representative regarding foreclosure alternative programs. I acknowledge that the above referenced parties are under no obligation to agree to an alternative to foreclosure, and that representation has not been made at any time by any party involved in this process, that my mortgage may be modified or that an alternative to foreclosure may be authorized.

I consent for my mortgage servicer, mortgage insurer, and/or Freddie Mac, Fanny Mae, Ginnie Mae to discuss and share information about my mortgage and personal financial situation with third parties such as purchasers, brokers, real estate agency, insurers, property inspectors, financial institutions, and/or creditors.

I acknowledge that the payments on my mortgage are delinquent and that any collection efforts currently in progress including foreclosure proceedings, will continue without delay while relief from foreclosure options are being reviewed and evaluated.

I agree that discussions and negotiations of a possible workout alternative will not constitute a waiver of, or defense to, my lender's right to commence or continue any foreclosure or other collection action. The foreclosure action will cease and an alternative to foreclosure will be provided only if, and when, my lender has approved an agreement for a foreclosure alternative in writing and the agreed upon alternative is completed prior to foreclosure.

I have had the opportunity to consult with legal and/or tax counsel prior to signing this document, and I willingly agree to these terms and conditions whether or not I elected to retain such counsel.
