

Registration Information & Instructions for Utilities Use of the Rights-of-Way

Any person that owns, operates, or maintains a utility under, on, over, across, or within a public right-of-way, or that must submit an application for a permit to place, install, locate, relocate, construct, maintain, repair, operate, or remove any utilities under, on, over, across, or within the public right-of-way shall register as required by Chapter 23 of the City of Gainesville Code of Ordinances. A copy of the ordinance may be obtained from the City Clerk's Office or www.gainesvillefl.gov.

Registration is only required **once** for each utility wishing to occupy the rights-of-way. Once registered, a utility may obtain permits for all subsequent work without repeating the registration process.

New applicants requesting access to the rights-of-way should review the following:

- FLA. STAT. § 337.401
- City of Gainesville Code of Ordinances, Chapter 23, Article VI

Note: Permits for utilities are issued by the Engineering Department, Construction Services Division. No permits will be issued until the registration process is complete.

This registration packet is for providers who currently have telecommunications facilities or private networks in or over the City's rights-of-way and new users wishing to place facilities in a City right-of-way.
