Purpose

The purpose of the Outside Agency (OA) grant is to provide general operational support to cultural non-profit organizations inside the city limits.

Application Instructions

Who Should Apply?

Established non-profit cultural organizations, 501 (c) (3), which contribute to the cultural vitality of the City of Gainesville, produce quality arts and/or cultural activities, are eligible to apply for the OA Grant. Cultural organizations part of education, government or taxing authorities are not eligible.

Evaluation Criteria

The Gainesville-Alachua County Cultural Affairs Board (CAB) reviews and evaluates the OA grant applications using the following criteria based on a 100-point scale:

- Audience Development (maximum points = 50)
- Project Management (maximum points = 30)
- Program Merit (maximum points = 20)

An average point score of 75 out of a possible 100 points must be achieved for the application to be considered for funding. The total points will be used to establish a priority list for funding consideration. A funding formula that translates total scores into dollars will then be used to determine actual funding recommendations. For more details, see evaluation form on page 10. The applicant's history of grant management will be supplied to reviewers to assist in the evaluating process.

Application Deadline and Funding

- 1) OA Grant Applications are accepted every year and synchronized with the City's budget review and approval process.
- 2) **Current Application Deadline: May 1, 2024, 5:00 PM**
- 3) Application deadlines are strictly adhered to in order to maintain pace with the budget process.
- 4) Funding Period: October 1, 2024 – September 30, 2025

The funding pool is divided into three tiers of art/cultural organizations, with three corresponding levels of funding available. Organizations are eligible for a category based on their last completed fiscal year cash expense budget and signed copy of IRS Form 990, if one was filed. A request cap is set for each level of funding, see table below.

Organization Category	Request Cap	Expense Budget
Large	\$12,000	\$65,000 and higher
Medium	\$8,000	\$30,000 - \$64,999
Small	\$4,000	Up to \$29,999

Applications are first reviewed by Cultural Affairs staff (CAS) and then as required by the Budget and Grants Committee (BGC). The applicant will revise the application according to suggestions made by the BGC. The CAB will vote at the grant review/scoring session (applicants are encouraged to attend the review meeting to provide updates or to answer CAB questions).

Programs/projects/events must take place and funds expended during the grant period. The City of Gainesville must be recognized for sponsorship in all related publicity in printed and on-line matters. Violation of these terms and conditions may jeopardize future funding.

Grant Monitoring

Funds awarded under the Outside Agency program will require on-site evaluation by CAB members and City staff. In order to facilitate this evaluation, agencies awarded funding will be required to provide complimentary tickets (for CAB member(s)) for the sole purpose of allowing the evaluation of the event for grant purposes. This ticket may not be used by any other individuals. These tickets are not considered a "gift" (lobbying) and would not need to be reported on the agency's financial disclosure forms

Application Guidelines

The grant application can be downloaded from the Cultural Affairs website. The application is in PDF with editable forms. <http://www.gvlculturalaffairs.org>.

The following guidelines help ensure accuracy, legibility and uniformity of applications:

- Be sure to provide every required part of the application. **VERIFY that all items are included in the package before** checking the boxes on the application cover page.
- Your original application **MUST** be signed in blue ink.
- Be sure your original AND copy pages are numbered and assembled in numerical order.
- Applications are to be no more than ½" thick. (Overly large applications become physically difficult for reviewers to handle and transport.)
- Color images are limited to four one-sided pages.
- Letters of support should be limited to no more than two (2) of any particular type of letter. Example: If an agency is submitting copies of letters by school children expressing appreciation for your agency's programs/services, two letters are sufficient as examples of their appreciation.
- **Applications are to be binder clipped in the upper left corner, do not fasten with paper clips.**
- **No document covers, no GBC/strip binding, no plastic sheath inserts, no index tabs.**
- No attachments larger than the application page size format (you may reduce the image to 8½ x 11 page size).
- CD's, DVD's or flash drives may not accompany the application.
- **Typeface must be no smaller than 11-point, Arial or Times New Roman preferred**

Allowable Grant Expenditures

- Production costs
- Expendable materials
- Equipment rentals
- Marketing
- Organizational Salary support
- Artistic, administrative, technical, consultant fees

Non-Allowable Grant Expenditures

- Expenses incurred or obligated before or after the grant period cannot be paid with grant money;
- Lobbying or attempting to influence federal, state or local legislators, or judiciary;
- Building, renovation or remodeling of facilities;
- Bad debts, legal or filing fees, contingencies, fines and penalties, interest and other financial costs;
- Private entertainment, food, beverages, plaques, awards or scholarships;
- Program/events which are restricted to private or exclusive participation, which shall include restricting access to programs on the basis of sex, race, color, national origin, religion, disability, age or marital status;
- **Re-granting – is defined as using grant moneys to underwrite grants, programs or individual grants within one's own organization or another organization. Re-granting of city funds is prohibited.**
- Capital expenditures (includes acquisitions, building projects, renovations, tangible items, permanent equipment, etc.);

-
- Contributions and donations;
 - Endowment funds

Definitions

- Historically Excluded Population (group): any group of people that has been historically excluded from full rights, privileges and opportunities in a society or organization.
- Minority-Operated Organization: the management and daily operations are controlled by minority group members.

Amendment Request

Outside Agency applicants receiving funds from the City of Gainesville in an amount which differs from that specifically requested in the original application shall submit to the Cultural Affairs Staff (CAS) an amended budget within 30 days of notification of the grant award. The amended budget shall clearly reflect the impact of the approved amount awarded the organization when compared to the initial amount requested in the original application. Also, identify the changes in both dollars and services to be provided by the applicant for the grant program/event. Use the template starting on *page 20* for all amendment requests to the grant.

Withdrawal/Cancellation of Grants

An agency failing to comply with any of the requirements stipulated in these guidelines will be required to correct the defect within a reasonable period of time once notified of the failure. Failure to comply will result in the issuance of one notice to the Grantee. Repeated failure of a similar nature (i.e., failure to provide credit to the City of Gainesville, etc.) or failure to correct the defect within the specified time period may result in cancellation of City support and grant(s) paid by the City to the agency. Agencies filing for bankruptcy, closing or otherwise transferring to or combining assets and liabilities with other entities are required to return any unexpended grant funds.

Debts to the City

Any agency with debt(s) outstanding to the City of Gainesville is not eligible to apply for and is prohibited from accepting City funds unless and until said debt(s) are paid to the satisfaction of the City of Gainesville.

Grant Fund Expenditure Records

The City has the right to review all records supporting expenditure of grant funds. If a grant is awarded, the recipient is expected to maintain complete and accurate accounting and program

records. These records must be readily available for inspection by City or independent audit personnel, and must be maintained in accordance with generally accepted accounting principles.

If any applicant is in non-compliance with grant reporting requirements at the time new or additional funding is approved, the award will not be issued. A letter will be sent advising the applicant that the overdue report(s) must be received within 30 days of the date of the letter, or the new award will be rescinded.

Annual Reporting

All Grantees are required to submit an annual report at the conclusion of each year by October 30.

The reports shall document activities during the applicable year of funding (i.e. programs/events, marketing/advertising, attendance, education, attachments, financial report, etc.). Use the template starting on *page 11* for your annual reporting. In addition, *next year funding is contingent upon receipt of the annual report.*

Failure to submit these reports will result in the following:

1. Issuance of a one-time letter to the Grantee.
2. Grantee deemed delinquent, if no response after the notification letter
3. Any new grant applications submitted by Grantee will be ineligible at the time of the application deadline, without further notice from this office.
4. Grant review panels may also be provided with a reporting history on each applicant, to assist in the rating of the organization's administrative ability for future funding consideration. Delinquent reports can negatively impact future requests for funding by resulting in a lower score.

Credit to the City of Gainesville

When the City provides a grant award to an agency, it becomes a corporate sponsor of that agency. The City support provided to the agency is to be given the same corporate sponsorship acknowledgements normally accorded for that amount of corporate support.

In addition, all promotional materials related to the funded program, including television and radio ads, press releases, newspaper advertisements, printed materials, and agency/event web sites **must give credit to the City of Gainesville**. Camera-ready logos for print media are available online at <http://www.gvlculturalaffairs.org>. The City's credit statement should read as follows:

This program/event [agency determines which is appropriate] funded in part by the City of Gainesville, Parks, Recreation and Cultural Affairs Department.

It is the grant recipient's responsibility to ensure that proper credit related to the funded program is provided; failure to do so may impact any future grant applications.
