Getting Ready for the Great American Cleanup

Spring cleaning at home can be seen as a chore, but group cleanups are always a blast!

Reach out to a friend, sign up with Keep Alachua County Beautiful, and get ready to reinvigorate the area as you participate in America's largest cleanup event: The Great American Cleanup 2025.

There are many sources of litter – overflowing trashcans, poorly tied bags, rain, and people. You alone can't change all of that in one day, but you can make a huge difference by getting out there, donning your nifty reflective vest, and showing your appreciation for our earth.

Where: contact KACB for details - kacb.org/

When: April 19th, 8 a.m. – 11 a.m.

What: the Great American Cleanup, followed by volunteer appreciation

It's not too late to sign up for this cleanup and celebrate earth month with acts of service!

Check with ZeroWasteGNV on Facebook and Instagram for more service opportunities.
