Get Ready For The Great American Cleanup on April 22, 2023

The Great American Cleanup & Volunteer Appreciation Day will be extra exciting this year as it will be on Earth Day, April 22. Sponsored by Keep Alachua County Beautiful, this event is a great opportunity for you to show appreciation for the Earth and your community by helping to clean it up!

The Great American Cleanup is the nation's most extensive volunteer community improvement program that motivates individuals to take greater responsibility for their community and litter collection. Organizations, companies, families, and individuals are all welcome to participate in helping to make Gainesville and Alachua County a more beautiful place to live.

To ensure your participation, register early for this year's event and let **Keep Alachua County Beautiful** know what activities you'd like to do, such as planting trees, picking up litter, or removing graffiti. Cleanup supply kits will be available for pickup before the event at Keep Alachua County Beautiful's offices or on the event day at Massey Park (Westside Park) on April 22. A "Thank You Party" will follow at Noon at the park to reward volunteers for all their hard work that day.

To get registered or for more information on this event, visit kacb.org/events.
