Never Miss Your Waste Collection Day Again! Sign up for Collection Service Reminders

When holidays pop up, it can sometimes be challenging to keep track of when your garbage and recycling will be collected.

Worry No More! The City of Gainesville and myGNV offer email and text service collection reminders to help you remember your waste collection days that account for holiday schedules.

Signing up for Collection Reminders is as Easy as 1-2-3:

1. Visit [myGNV](https://myGNV.com) or download the myGNV app, and click on the garbage cart icon.
2. Enter your home address, verify by clicking “**Yes! That’s Correct**” in the black bar, and select your service day & reminder time.
3. Wait for a confirmation message and reply. You’re all set to receive your service reminder.

Please note that the application only functions for neighbors receiving residential curbside collection service within the City of Gainesville. You can unsubscribe at any time using the application or by contacting us at waste@gainesvillefl.gov.
