

One way Pair W 10th St / W 12th St

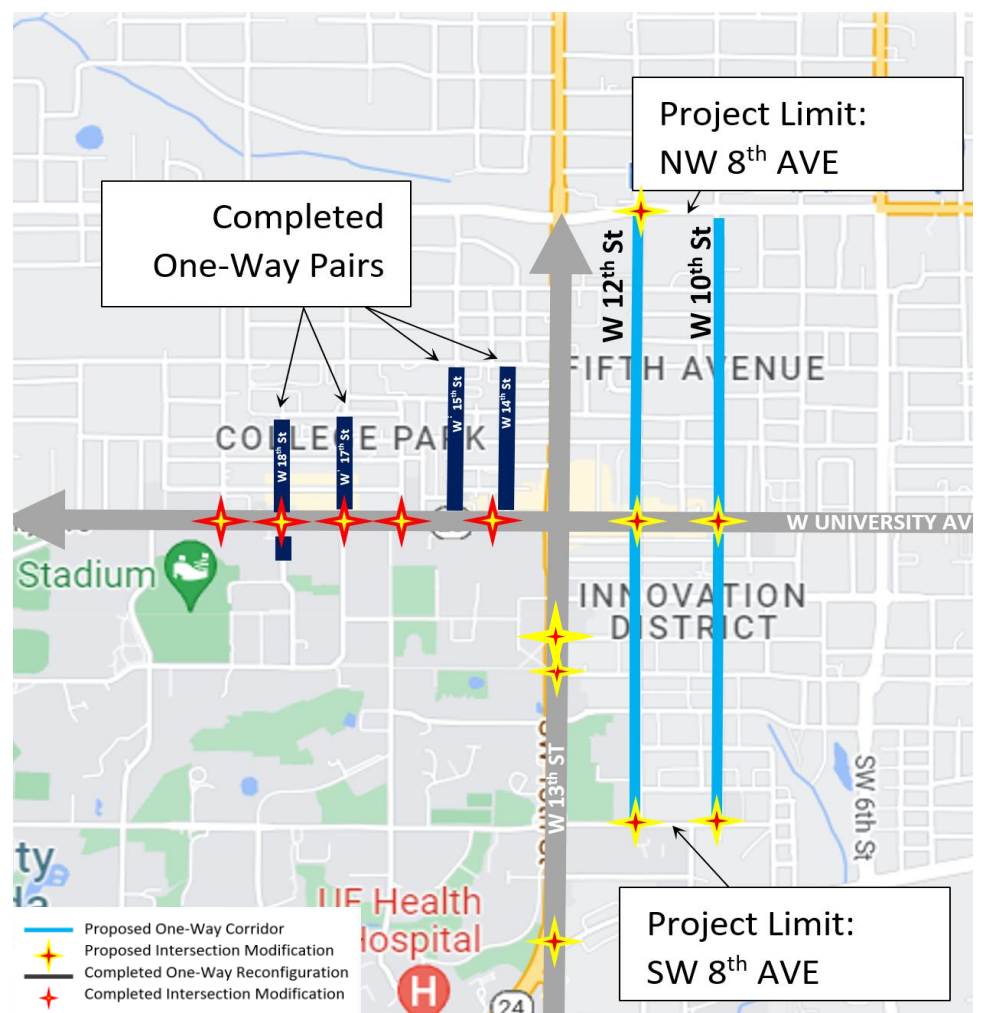

CITY COMMISSION DISTRICT I & IV

The purpose of this project is to advance safety, mobility, and access along the corridor by complementing ongoing safety investments on University Avenue and reducing conflicts at major intersections. The project enhances multimodal transportation by introducing dedicated bicycle facilities that support safer and more comfortable travel for all users

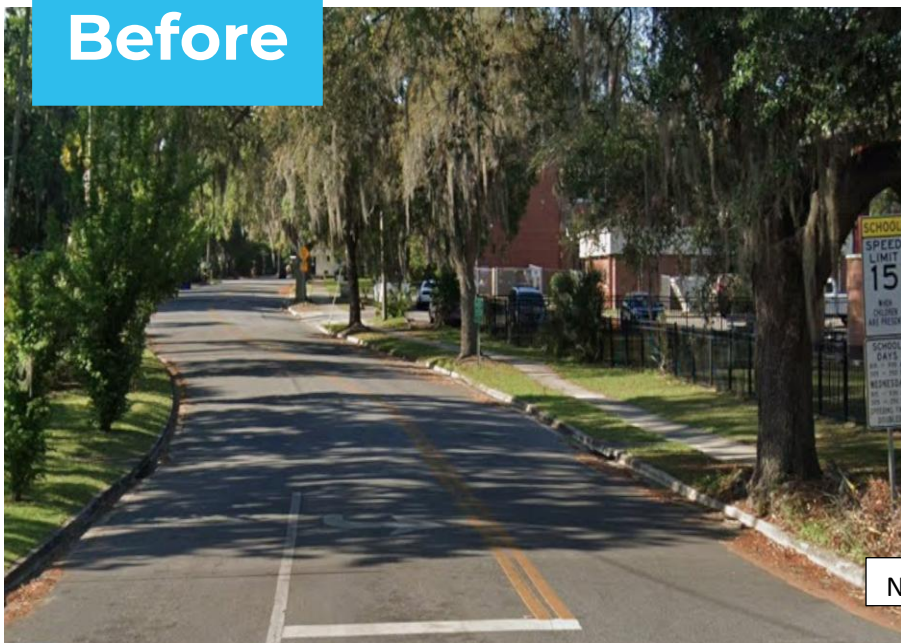

Completion: 2026

Cost: \$1,192,437.00
