

# Sidewalk along the east side of SR331/Williston Rd

## CITY COMMISSION DISTRICT I

A new sidewalk was added along the east side of SR331/Williston Rd north of the intersection of SW 16<sup>th</sup> Avenue as part of a recent resurfacing project by FDOT. This sidewalk gap was identified as a priority project for the city as it enhances safety, expands mobility options of adjacent residential areas, and connects to programmed shared-use trails.

Completion: 2025
