Thelma Boltin Trailhead Project

Please answer the question below.

How can we commemorate the former Thelma Boltin Center?

☐ Platform or performance area at former Thelma Boltin Center auditorium room

☑ Outline of former building footprint with commemorative signage

Kiosks / Signage describing:

- Community utilization of the Center including voting center
- Well known musicians performing @ the center (Rock n Roll Hall of Fame)
- military respite
-

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

___ Convenient and available parking

___ Recreational amenities

(1) Green space and landscape

___ Neighborhood gathering and activity space (acknowledge music history of the site)

___ Public art

Comments:

ADA accessible walkways/paths

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☑ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☑ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☐ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

on-street parking surrounding the site is the only place to park for many of the apartments, condos, houses in the area!

Re: Public Art — popular local artist, Lenni Kest is deceased, but his son lives on NE 13th Ave, and has many of Lenni's outdoor sculptures stored at his home. Perhaps one could be placed on this site.

Please keep this page to stay engaged with the project. Return the rest of the worksheet to staff.

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

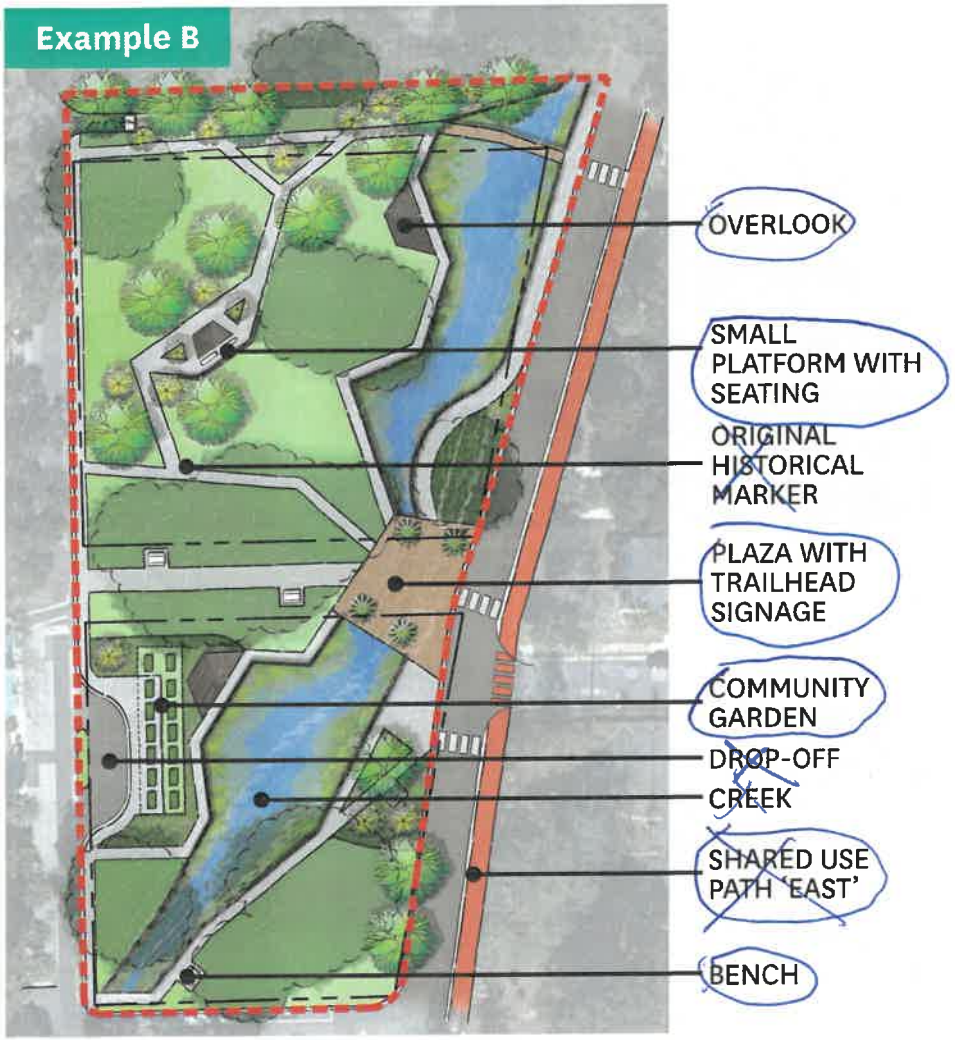

Example A

Do you have any additional comments about Example A?

Crosswalks into the site if possible
Parking ruins aesthetic + character and could contribute to less effective runoff mitigation

Example B

Do you have any additional comments about Example B?

Drop off should be more accessible to other forms of transportation; consider making the area more pedestrian/bike friendly.

Thelma Boltin Trailhead Project

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

5 Convenient and available parking

4 Recreational amenities

1 Green space and landscape more natural

3 Neighborhood gathering and activity space

2 Public art what would this encompass? Statue & memorial to Thelma Boltin & the famous musicians who performed here & commemorates the servicemen who used this building for recreation. The beloved structure that was here was an important part of Gainesville's culture & history. We shared important memories here - dance classes, Teen Time, Recreational activities, and beautiful concert performances as recently as March 2019 & cancelled 2 days before in 2020

Comments:

Sadly, these expensive ideas can not replace the special structure that provided all these amenities & more - well loved & used & renovated in 1999-2002.

Sweetwater Greenway Loop Trail Alignment Project

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☐ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☐ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☐ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

none of the above
Reconnect existing sidewalks for connectivity where needed.

Please answer the question below.

Any additional feedback?

I regret that any of this is being considered & using $2 million of our Wild Spaces / Public Places taxes, when the beloved Thelma Boltin should have received these funds & been restored & reopened. The city had already "updated" it less than 20 years before they closed it for the COVID ~~& had pandemic, and provided a beautiful performance~~ space. They also had a wing that would have been perfect for offices & was being used for storage. ~~$5,000 a month~~ These funds would have been appropriate for keeping our historic gem maintained and available for community & staff used. Sadly, these ideas can not replace what was lost.

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

5 Convenient and available parking

5 Recreational amenities

1 Green space and landscape

1 Neighborhood gathering and activity space

1 Public art

Comments: This is a small communal space. I'd RATHER Think of it as a space to enjoy the creek a bit of quiet, learn some history, contemplate & occasional community/neighborhood gathering.

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☒ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☐ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☒ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

Keep the K. I. S. S. principle in MIND.

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

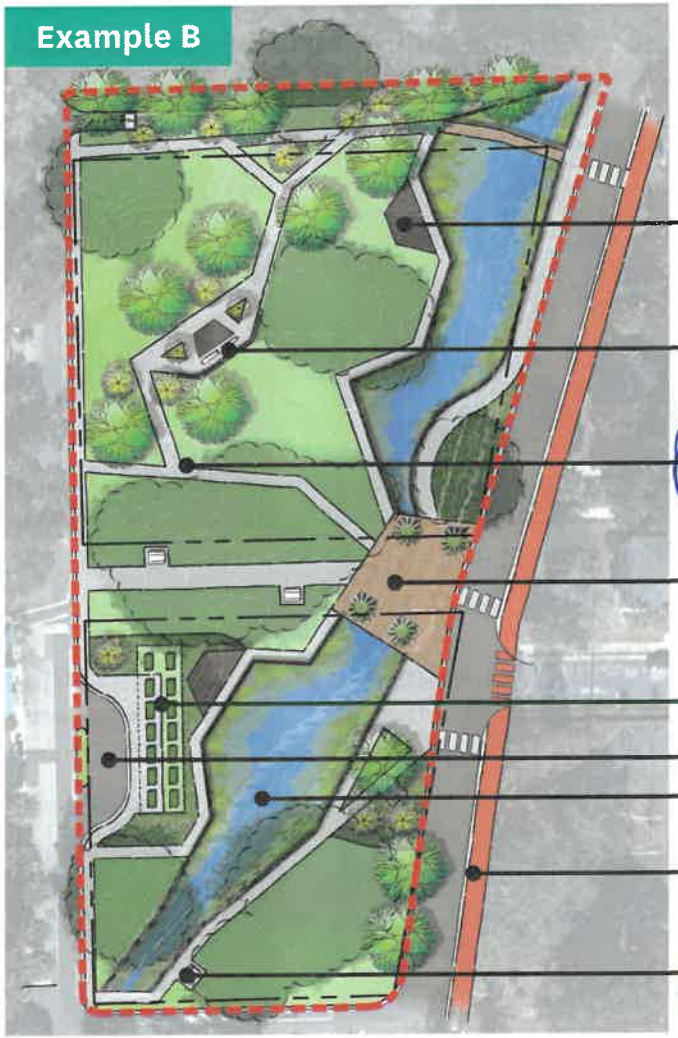

Example A

Do you have any additional comments about Example A?

I like the Example C the best!

Example B

Do you have any additional comments about Example B?

More historical kiosks & markers

Thelma Boltin Trailhead Project

Please check all of the creekside amenities you would like to see in the park.

☐ On-street parking

☑ On-site parking
As in Concept C

☐ Remove vehicular access through the center of the site on NE 2nd Ave

☐ Retain vehicular access through the center of the site on NE 2nd Ave

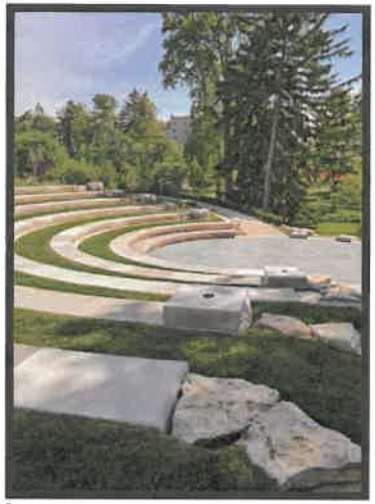

Map Key

Thelma Boltin Trailhead Project

Please answer the question below.

How can we commemorate the former Thelma Boltin Center?

NO

☐ Platform or performance area at former Thelma Boltin Center auditorium room

☑ Outline of former building footprint with commemorative signage

As in Concept C

Several historical info kiosks on the site

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

___ Convenient and available parking

4 Recreational amenities but NOT Pavilions + platforms → Picnic Tables are nice - Benches are nice -

3 Green space and landscape

5 Neighborhood gathering and activity space But NOT Platforms + Pavilions

___ Public art

1 History is #1
2 Reserving Enviroment #2 } so Greenspace, I guess?

Comments:

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☐ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☐ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☐ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

Please, please, please consider all the features in Concept C

Please, please include all the history – the music, the soldiers, etc

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

Example A

Do you have any additional comments about Example A?

MUCH Better than B - But with modifications on CONCEPT C

Example B

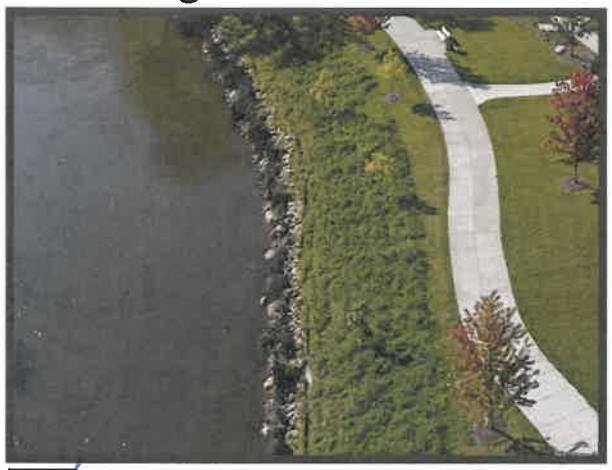

Do you have any additional comments about Example B?

Too Angular — DO NOT like.

☐ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

The Thelma Boltin center should never have been demolished
If needed a new roof & AC, not hundreds of thousands spent on consultants
who primarily build new buildings.
From the outset it appeared the city staff planned to demolish TBC
This project appears to be building stormwater to provide infrastructure
for new development where TBC was.

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

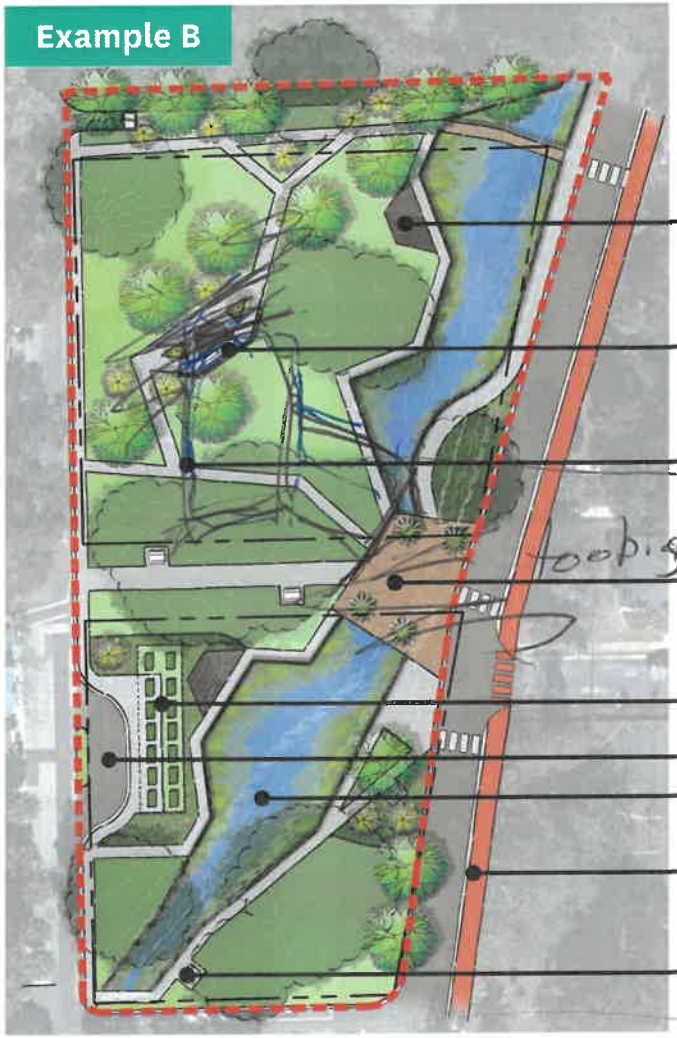

Example A

Do you have any additional comments about Example A?

use original marker - updates can be placed on a plaque next to it. Put the marker where it used to be

Example B

Do you have any additional comments about Example B?

outline the building with brick
put a walking path in it with
kiosks.

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

Example A

- HERITAGE TREE
- WASTE RECEPTACLE
- ON-SITE PARKING
- PAVILION
- SHUFFLEBOARD
- SCULPTURES/ART
- CHESS TABLES
- UPDATED HISTORICAL MARKER
- NATURAL SLOPING CREEK EDGE
- SHARED USE PATH 'WEST'
- PICNIC BENCH

Do you have any additional comments about Example A?

Don't need a Pavilion (1/ Bo Diddley & Depot Park used for performances)

Example B

- OVERLOOK
- SMALL PLATFORM WITH SEATING
- ORIGINAL HISTORICAL MARKER
- PLAZA WITH TRAILHEAD SIGNAGE
- COMMUNITY GARDEN
- DROP-OFF
- CREEK
- SHARED USE PATH 'EAST'
- BENCH

Do you have any additional comments about Example B?

Other than the angular creek I prefer this plan for its simplicity

Thelma Boltin Trailhead Project

Please check all of the creekside amenities you would like to see in the park.

These images illustrate different examples of a Natural Sloping Creek Edge

☑ Natural Sloping Creek Edge

if feasible w/ small amount of space

These images illustrate different examples of a Boardwalk

☐ Boardwalk

not really necessary

Thelma Boltin Trailhead Project

Please check all of the creekside amenities you would like to see in the park.

These images illustrate different examples of an Overlook

☐ Overlook no not needed in this small park

These images illustrate different examples of a Plaza

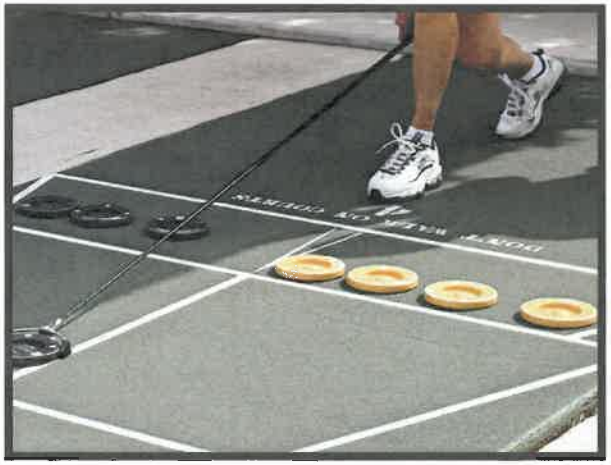

☐ Plaza no I prefer grass to pavement

Thelma Boltin Trailhead Project

Please check all of the activities you would like included in the park.

☐ Shuffleboard no

☐ Chess no

☐ Gathering Space no

☐ Ping-Pong no

☐ Activity Space maybe if very simple & easy to maintain

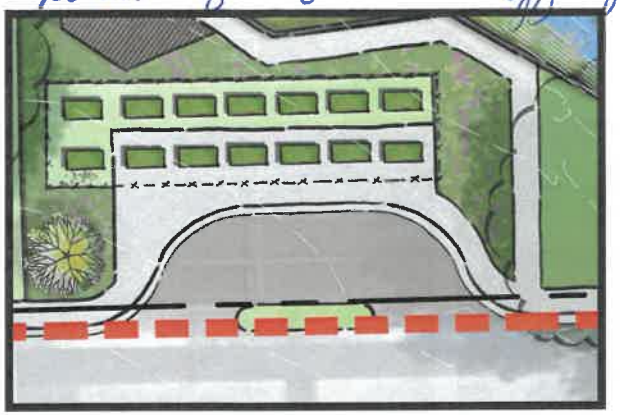

I prefer to keep it simple & easy to maintain Roger Park is a nice example

☐ Other amenities you would like included in the park.

Thelma Boltin Trailhead Project

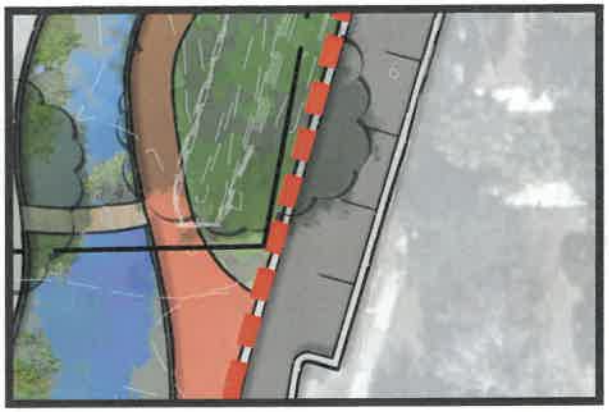

Please check all of the elements you would like to see included in the park.

Neighborhood is quiet
Relatively easy to drop someone off from street

☐ Vehicular drop off

maybe - may not really need it

☐ On-street parking

not if it means trail + traffic are not separated ?

☐ On-site parking

? prob a little is good

☑ Remove vehicular access through the center of the site on NE 2nd Ave

☐ Retain vehicular access through the center of the site on NE 2nd Ave

Map Key

Thelma Boltin Trailhead Project

Please answer the question below.

How can we commemorate the former Thelma Boltin Center?

☐ Platform or performance area at former Thelma Boltin Center auditorium room

who would program it?

No duplicates performance spaces in nearby parks also requires more maintenance

☐ Outline of former building footprint with commemorative signage

no requires upkeep & unnecessarily complicated I really dislike this idea

I think signage is enough for commemorating the site

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

3 Convenient and available parking a small amount

5 Recreational amenities not needed — just to support walking, biking, connecting w/ nature are enough

1 Green space and landscape

2 Neighborhood gathering and activity space — just natural space w/ benches picnic tables

4 Public art I think it invites neglect + decay unless really simple. Is there budget for annual cleaning, warding etc.? Lighting etc.?

Comments:

Public art could be pavers benches other practical features designed by artist

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☑ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

* best select

Safer

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☐ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☑ **Remove** some on-street parking to have a buffer between the shared use path and travel lane

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

I think we should have benches, maybe a few picnic tables
Enough trash receptacles ; bike racks ; lighting for security restrooms
Signage about history of site + trail itself
Trees + grass — easy to mow and keep neat

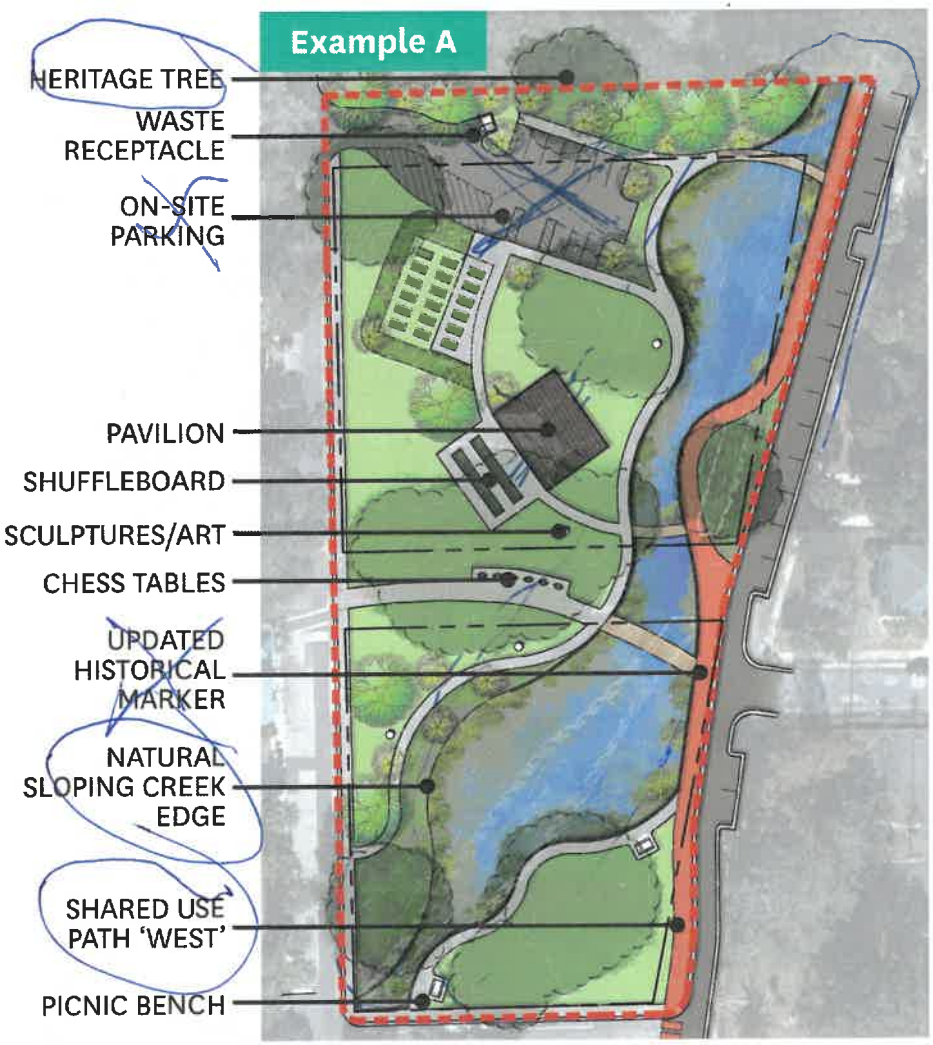

I would not recommend sculpture
it is very expensive + requires regular maintenance + conservation

Not Performance space
— has to be programmed
— needs maintenance
— noise for a quiet neighborhood

Thelma Boltin Trailhead Project

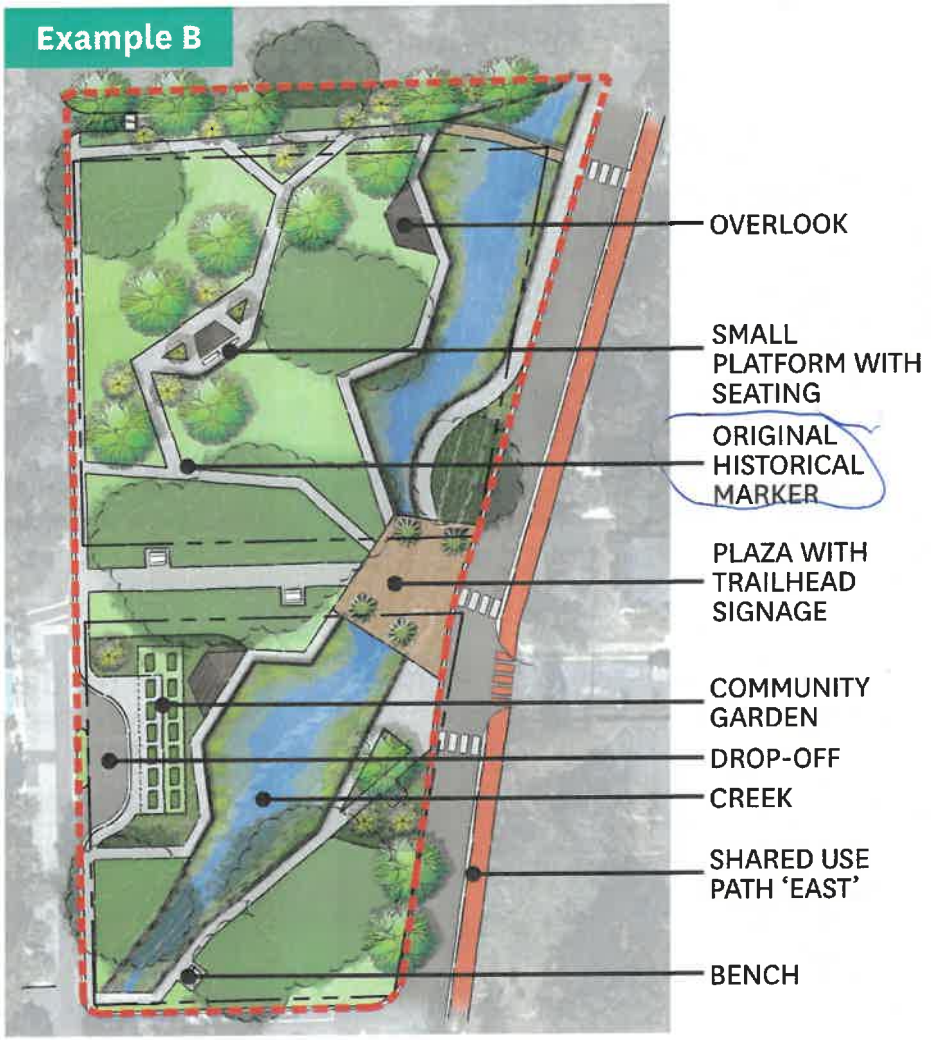

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

Thelma Boltin Trailhead & Sweetwater Greenway Loop Trail Alignment Project

Please answer the question below.

Any additional feedback?

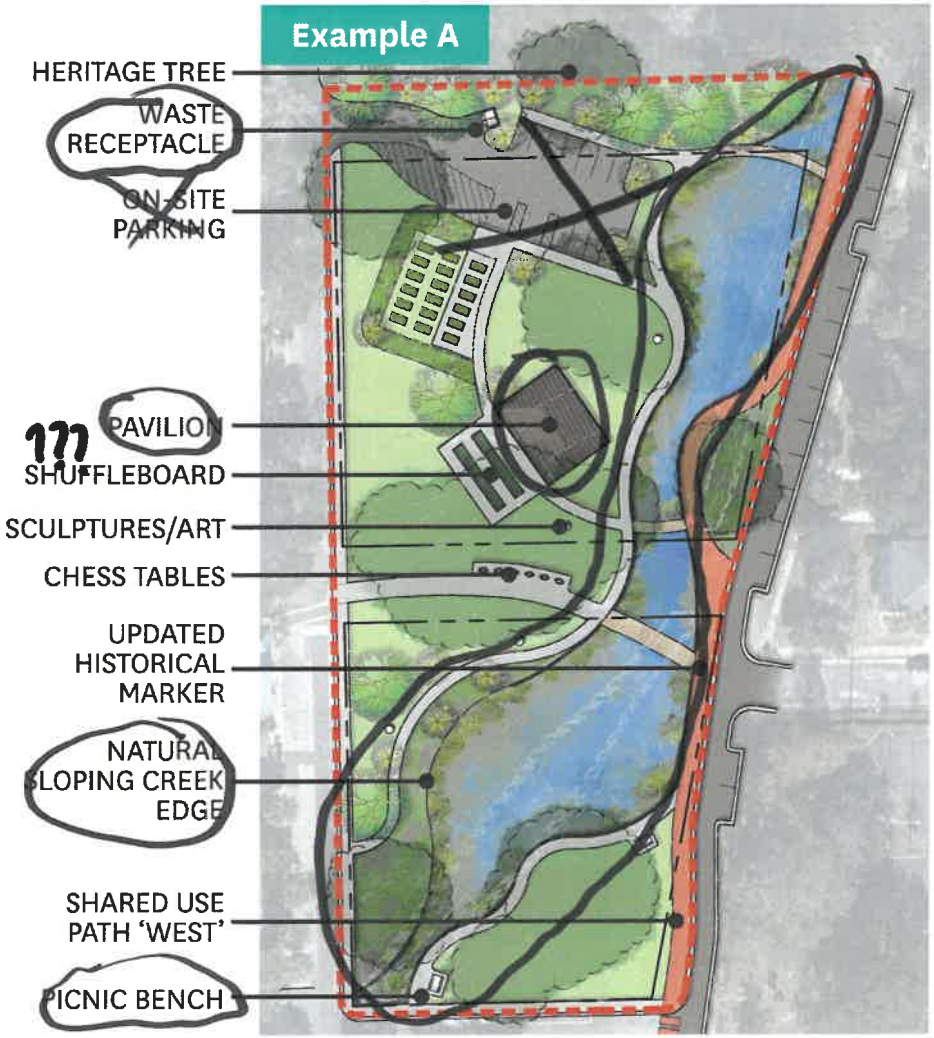

Need more permanent signage regarding the dance hall and music history of the site.

Plan for the future extension of the trail/greenway loop south of E. University Avenue to Depot Park

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

Example A

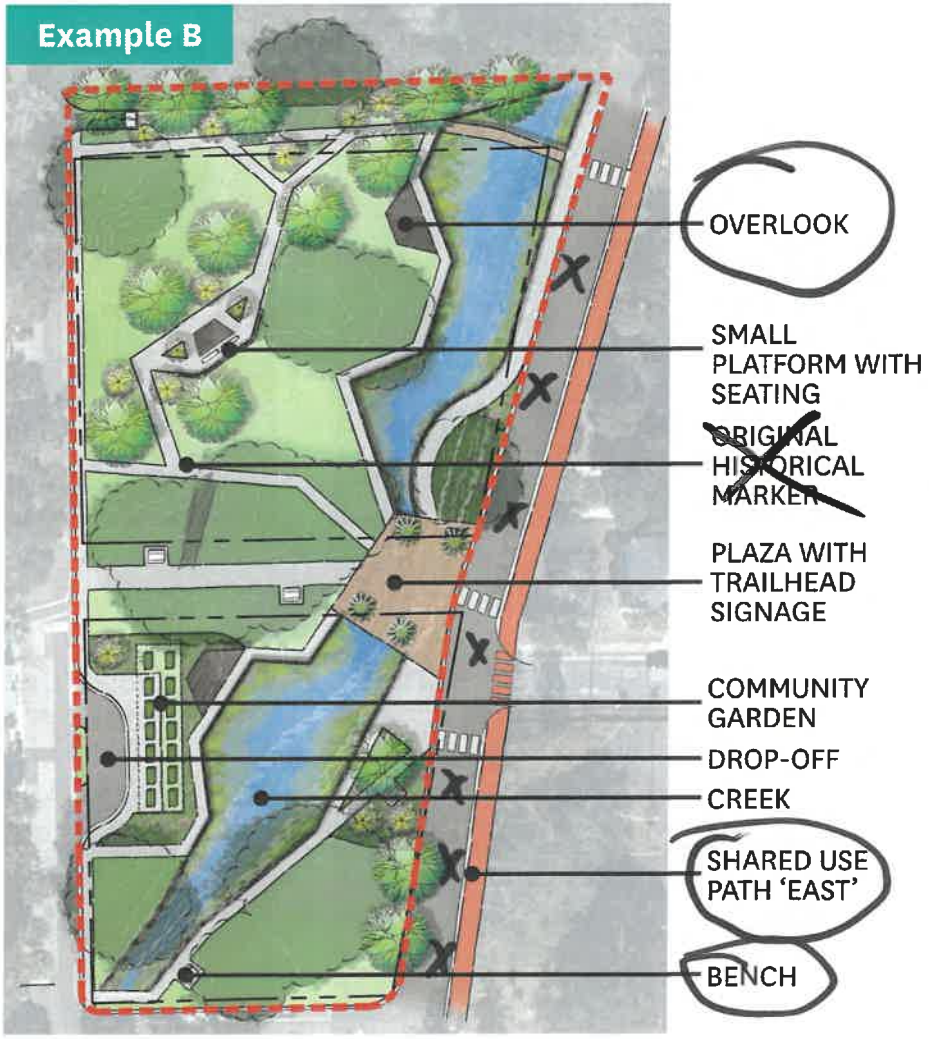

Do you have any additional comments about Example A?

looks beautiful, but would have for more space for a community garden without a parking lot

I love the natural feel of the shape of the creek

Example B

Do you have any additional comments about Example B?

The creek would be nicer if it were less blocky. Also, the trails are rather separated, would be far nicer if they were interconnected

Thelma Boltin Trailhead Project

Please check all of the creekside amenities you would like to see in the park.

Please check all of the creekside amenities you would like to see in the park.

These images illustrate different examples of an Overlook

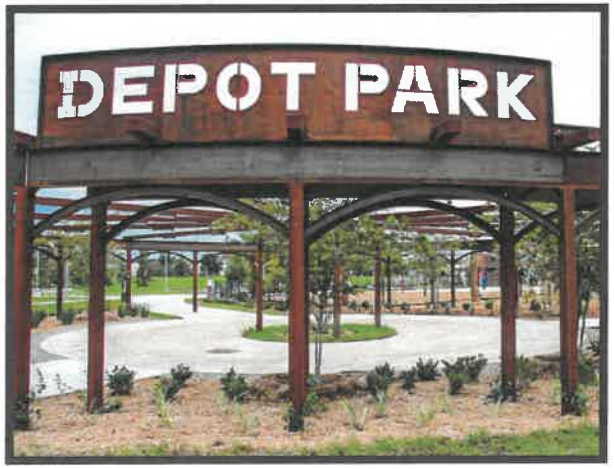

the concrete in this is kinda ugly

☑ Overlook

These images illustrate different examples of a Plaza

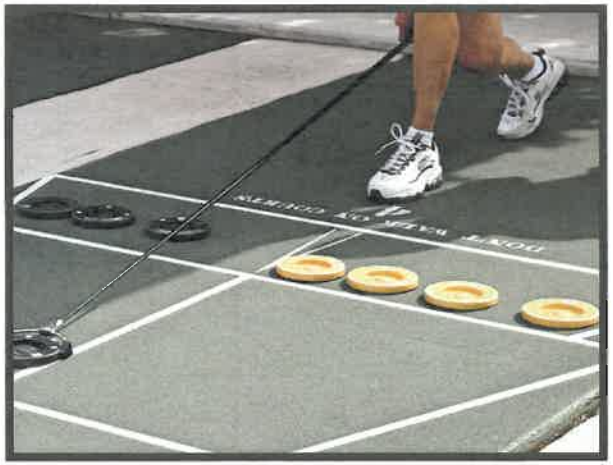

☑ Plaza

Thelma Boltin Trailhead Project

Please check all of the activities you would like included in the park.

what is shuffle board?

☐ Shuffleboard

☐ Chess I feel like people can bring chess to play at any table with seats

☑ Gathering Space

☐ Ping-Pong

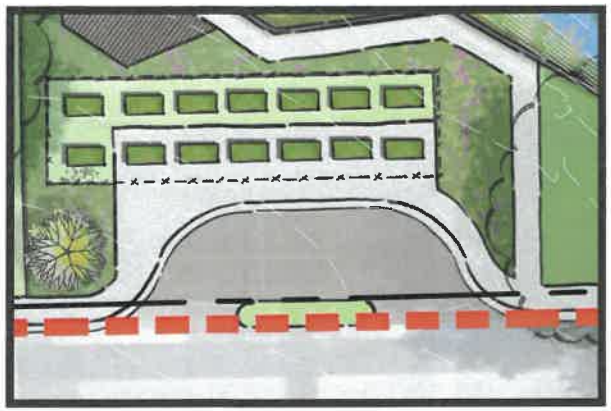

☑ Activity Space

It would be nice to have a restroom on site, as well as water fountains

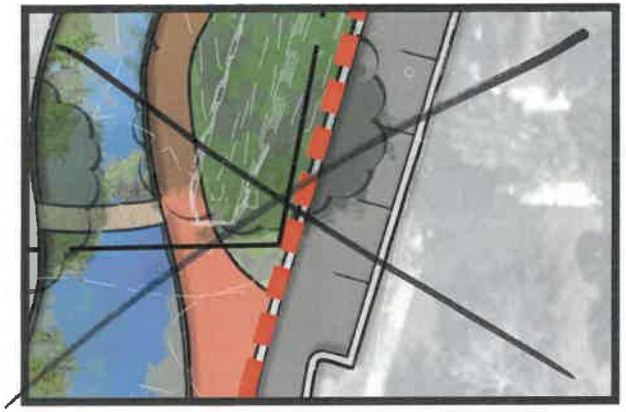

☐ Other amenities you would like included in the park.

Thelma Boltin Trailhead Project

Please check all of the elements you would like to see included in the park.

☐ Vehicular drop off

☐ On-street parking

☐ On-site parking

☑ Remove vehicular access through the center of the site on NE 2nd Ave

☐ Retain vehicular access through the center of the site on NE 2nd Ave

Map Key

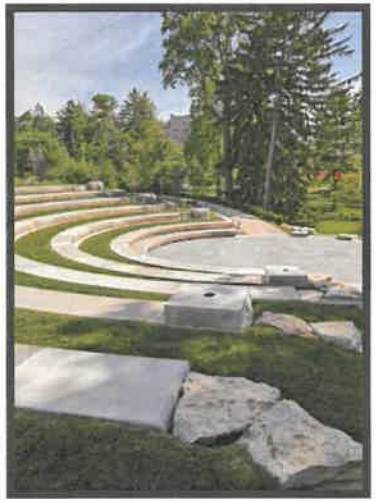

☑ bike trail in place of 2nd Ave

Thelma Boltin Trailhead Project

Please answer the question below.

How can we commemorate the former Thelma Boltin Center?

☑ Platform or performance area at former Thelma Boltin Center auditorium room

☐ Outline of former building footprint with commemorative signage

Thelma Boltin Trailhead Project

Please answer the questions below.

Rank the following park characteristics from 1 to 5, with 1 being the most important to you and 5 being the least important.

10 Convenient and available parking

2 Recreational amenities 1 bike racks

1 Green space and landscape

3 Neighborhood gathering and activity space

4 Public art

Comments:

I would strongly prefer we do not waste our valuable space on car parking

Please answer the questions below.

Would you like to see the Sweetwater Greenway Loop Trail as a:

☐ **Widened sidewalk**
NE Blvd remains two-way from University Ave to NE 5th Ave

OR

☑ **Separate shared use path**
NE Blvd becomes one-way from University Ave to NE 5th Ave

Map Key

If you selected **Separate shared use path**, which of the following would you prefer?

☐ **Keep** some on-street parking, even if that means no buffer between the shared use path and the travel lane

☑ **Remove** ~~some~~ all on-street parking to have a buffer between the shared use path and travel lane

Can we remove the street?

Thelma Boltin Trailhead Project

Please circle elements you like and cross out the elements you do not like with an 'X'. Provide additional feedback below.

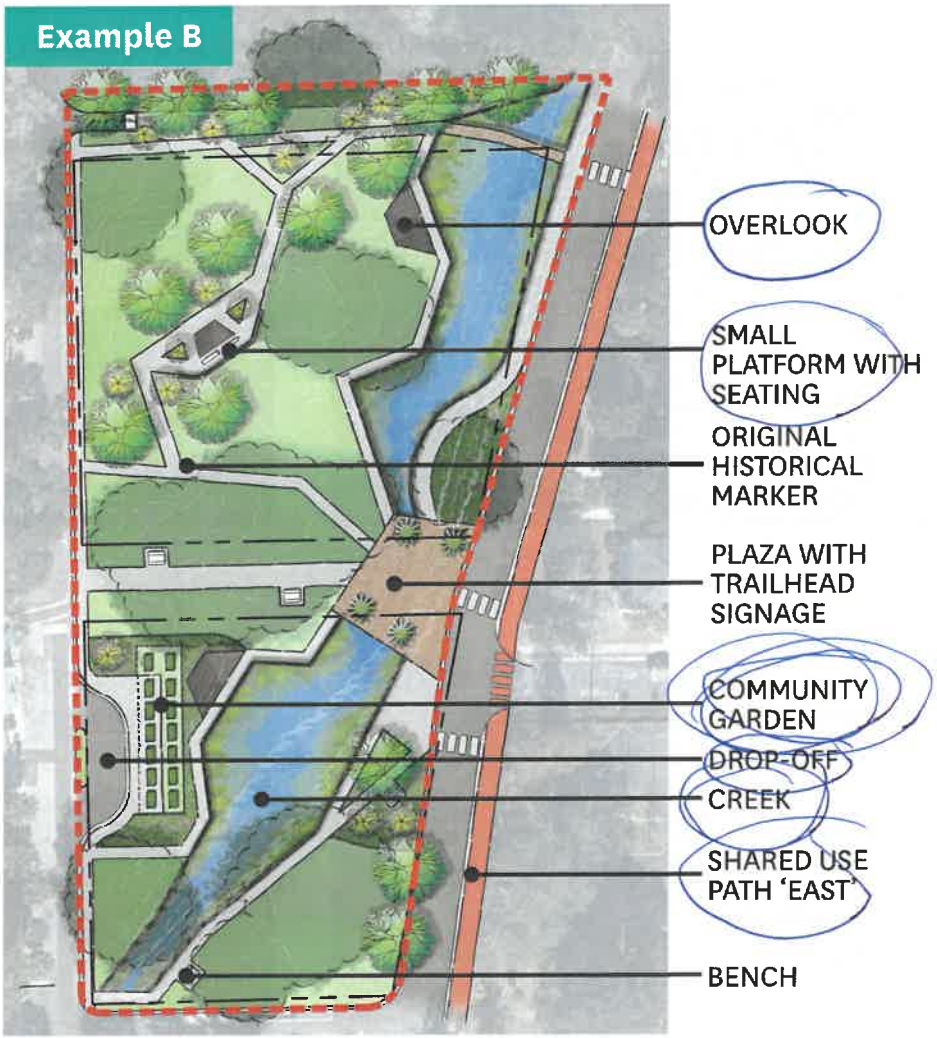

Example A

Do you have any additional comments about Example A?

Doesn't need on-site parking, but I get it, if it is the trailhead - how to prevent long-term parking?

Example B

Do you have any additional comments about Example B?

It should really be a boulevard - people and bikes and trees, so I'm team No Road, but a small one-lane with annoying bumps is probably what we will have.

Comments:

Making it all more walkable and bike friendly will be awesome
(maybe figure out where bus stops are and have a website with that info)
Highlight the musical history in signage
