Important reminders!

**Open Enrollment for
the 2024 Plan Year
is available
Oct. 16-31, 2023**

***Benefit changes must be made
no later than Tuesday, Oct. 31, 2023.***

Workday Availability

Open enrollment is available online through your Workday account. The Workday platform will be unavailable for weekly service updates for a maximum of four hours from Fridays at 2 a.m. (EST) through Saturdays at 6 a.m.

Workday Online Enrollment-Changes ONLY and/or Continuing FSA

You only need to log into Workday and go through the open enrollment process if you need to make changes to your current benefits. It is highly recommended that all employees check their current benefits prior to determining whether online enrollment is needed or not.

Flexible Spending Accounts (FSAs)

If you wish to maintain, change, or enroll in an FSA account, you **must** complete the open enrollment process in Workday, even if you are making no other benefit changes.

BlueDental Choice PPO and BlueDental CoPayment Update

As a reminder --- there is no longer a 12-month waiting period for coverage of any major or orthodontic services.

Should You Participate?

Do you need to take any action during Open Enrollment? Check all boxes that apply to you.

- ☐ I want to add/terminate a coverage or dependent.
- ☐ I elect to waive my health care coverage through the City of Gainesville.
- ☐ I want to enroll or re-enroll in a Flexible Spending Account (FSA). *You must re-enroll in an FSA every plan year.*
- ☐ I want to enroll in, change or cancel coverage for myself and/or my eligible dependent(s). (e.g., from CoPay Dental to Choice Dental)

Yes!

If you selected any of the above options, you should participate in Open Enrollment.

- ☐ I currently cover a spouse/other eligible individual under my health benefits, and I want to continue their coverage in 2024.
- ☐ I do not want to make any changes and want to keep the exact same coverage in 2024.
- ☐ I do not want to continue or enroll in a Flexible Spending Account (FSA) for 2024.

No!

If you only selected the above option(s) and did not select any option in the “yes” column, you do not need to participate in Open Enrollment. However, we still recommend you review your benefits options to ensure you’re getting the best coverage.

Open Enrollment 101

I'm a new employee. What do I need to do?

- If you were hired between Aug. 1-Dec. 31, 2023, please complete the New Hire event that will be in your Workday inbox **before** starting your Open Enrollment event. Please pay careful attention to this detail. Due to the structure of Workday's system, your benefits may be automatically removed if the New Hire and Open Enrollment events are completed out of sequence.
- If you are hired after Oct. 13, 2023, your New Hire benefit event should become available first. Your Open Enrollment event will be open as of Oct. 16, 2023; however, you will still need to complete your New Hire event before completing the Open Enrollment event, as that event will enroll you for your 2024 benefits.
- Please notify Risk Management if you start your Open Enrollment benefit prior to your New Hire event.

What do I need to do?

- Review your current benefits and discuss them with your family.
- If you do not want to change your current benefits (minus Flexible Spending Accounts), you do not need to enroll online via Workday.
- If you want to make a change to your benefits (e.g., add/terminate a dependent, add/terminate a benefit, add a Flexible Spending Account), access Workday and positively elect each benefit you wish to enroll in for 2024.

When are my Open Enrollment elections effective?

- Benefits for 2024 are effective as of January 1, 2024.
- If you are still on probation, you are not eligible to enroll in a Flexible Spending Account.
- If you are a new hire, the earliest your benefits may take effect is the first day of the month following your 30th day of employment.

When may I make changes outside of Open Enrollment?

You may make changes if you have a *qualifying or life event* (within 30 days of the event) such as:

- A change in *marital status* (marriage, divorce)
- Adding/terminating a dependent due to birth, adoption, gaining/losing other health coverage
- Change in employment status (part-time/full-time to part-time)

Who is eligible to be covered under my benefits?

- You, your spouse, your certified domestic partner, children (biological, step, foster, adopted, legal guardian)
- Certified domestic partner (only able to enroll at new hire and during open enrollment. Must be done in person at Risk Management.)

Things to Do and Remember During Open Enrollment

- Review your current elections to determine if changes are needed. If changes are needed, enroll via Workday. If no changes are needed, there is no need to enroll via Workday and your benefits will remain the same, minus the FSAs.
- Verify current dependents are eligible to enroll in respective benefits (benefits for dependents terminate at age 26). If dependents need to be added or deleted, you must enroll for your 2024 benefits via Workday and make the changes.
- Check your beneficiary information on all relevant benefits to make sure it is up-to-date
 - > Group Life (add or change beneficiary via Workday)
 - > Pension (add or change beneficiary via Workday)
- Supplemental life (enroll online via Workday)
- 457 and IRA accounts: enroll online through Workday for 457 accounts; enroll online through Workday and MissionSquare for IRAs. Go to page 20 for more information.
- If you wish to have a Flexible Spending Account (FSA), please enroll via Workday or you **will not have one for 2024**. Please remember that you must have completed probation to enroll in an FSA.
- Ensure all personal information is up-to-date in Workday and if changes need to be made, please do so in Workday.
- **If you are on leave, FMLA, vacation, absent and/or otherwise not at work, and wish to have benefits, please enroll for your benefits via Workday or you will not have benefits for 2024.** Workday may be accessed from any computer, as well as the Workday mobile app. Please remember to submit all supporting documents by Oct. 31, 2023 to avoid invalid enrollments.

Who is a Legal Dependent?

- A spouse (one who is joined in marriage to an employee by a ceremony recognized by the laws of the federal government)
- A domestic partner (registered with the City of Gainesville. The completed domestic partnership affidavit must be delivered to the Risk Management office no later than Oct. 31, 2023.)
- A natural child or stepchild under age 26 permanently residing with the employee and supported by the employee
- A legally-adopted child under age 26 or a child, under the age of 26, for whom you have guardianship (permanent or deemed permanent for insurance purposes)
- A child up to the age of 26, unless they have access to their own group coverage, without eligibility rules other than the definition of dependent above
- A child 26 years or older who is incapable of self-support due to mental or physical disability, and who has a permanent disability

All children up to age 26, married or single, are eligible for coverage on their parents' health plan.

Dependent Eligibility by Benefit

Health, Dental and Vision

- Legal dependents are eligible to enroll in these benefits until the age of 26 (whether married, a student or residing with the parent/legal guardian).
- Dependents who are over the age of 26, who are physically or mentally unable to work and are supported by the employee (medical documentation required).
- Grandchildren: Newborns up to 18 months (as long as the parent of the child is also covered by the plan).

Supplemental Child Life

- Legal dependents are eligible to enroll in this benefit under the age of 19. If a full-time student, they may be covered until age 25.

- Full-time, never-married students under 23 years old, if the student is a dependent of the employee or employee's spouse
- Any dependent child, regardless of age, who is incapable of sustaining employment because of mental or physical disability and who is chiefly dependent on the employee or employee's spouse for support

IDShield

- Dependents under the age of 18
- Dependents between the ages of 18-26 (living at home or a full time student or have never been married are still able to receive credit restoration services)

Dependent Eligibility Documentation Requirements

Dependents	Documentation Required
For Spouse	Copy of marriage certificate. If previously married, death certificate or divorce decree and copy of social security card.
For Removal of Spouse/Child	None at Open Enrollment. Court decree within 30 days of decree during the contract year.
For Natural Child(ren)	Child's birth certificate (showing the parent-child relationship to employee/retiree and/or spouse) and copy of social security card.
For Adopted Child(ren)	Placement papers signed by the courts, child's birth certificate and copy of social security card.
For Disabled Child (26 years and older)	Physician verification of permanent disability, child's birth certificate and copy of social security card.
Foreign Adoptions	Adoption papers signed by the courts; visa showing date of entry to USA, child's birth certificate and copy of social security card.
For Step-Child(ren)	Child's birth certificate (showing parent-child relationship with employee/retiree's spouse); copy of marriage certificate and copy of social security card.
For Court-Ordered Support	State affidavit; copy of signed court order requiring employee/retiree to provide support for health coverage, children's birth certificate and copy of Social Security card.
For Guardianship	Court ordered guardianship, birth certificate and copy of social security card.
For Domestic Partner	City of Gainesville Domestic Partner Affidavit (notarized within 30 days of application), required documentation and you may only enroll during Open Enrollment.

Ineligible Dependents

You must drop coverage for your enrolled dependent within 30 days of the date they lose eligibility. For example, if you divorce your spouse or end your domestic partnership relationship, you must contact Risk Management to remove your dependent spouse or domestic partner within 30 days of the divorce or end of domestic partnership.

If you fail to remove ineligible dependents, you will be required to pay all costs for any benefits that were paid on their behalf and may be subject to disciplinary action.

The following are examples of individuals who are not considered eligible dependents:

- Your spouse following a divorce
- Someone else's child (such as your nieces, or nephews), unless you have been awarded legal custody or guardianship
- Parents, parents-in-law, or grandparents, regardless of their IRS dependent status

The City Invests in You!

Tuition Reimbursement

The city will reimburse employees 100% of the cost of tuition and lab fees for 18 credit hours per fiscal year. Reimbursement will be equal to the actual cost, not to exceed the State of Florida University System credit-hour rate for undergraduate or graduate courses as applicable.

Eligible employees are those appointed to regular positions who have completed their probationary period and are taking courses for college credit at an accredited institution per the U.S. Department of Education database of accredited postsecondary institutions and programs. Interested employees can refer to the Community Builder Hub (<https://gruadmin.sharepoint.com/sites/GGCommunityHub>) or Workday for more details. Applicable contracts may be viewed at www.GainesvilleFL.gov.

Group Term Life Insurance

The city purchases and pays the premiums for a life insurance policy for each regular employee that is equal to 200% of the annual base salary to the maximum of \$50,000. Term Insurance provides a death benefit only in the face amount stated and will be in force only while you are employed by the city. Each employee must update their beneficiary with the Risk Management Department. These cards will be kept on permanent record at the city. If the employee wishes to change the beneficiary, they must follow the same process. If you want additional insurance over and above the group life insurance coverage provided by the city, there is a term life option available for supplemental life insurance.

New Hires

You have a maximum of 60 days from your first day of employment to make elections for your voluntary benefits. If you do not meet this deadline, you will have to wait until the next Open Enrollment period. If you do not make an election, the only way to make any change to your coverage is through a qualifying event or during the next open enrollment. Any changes must be requested within 30 days of the qualifying event and proof of the qualifying event must be provided.

If hired prior to October 1 and your benefits have taken effect: Log into Workday only if you want to make changes for 2024.

If hired between Oct. 1 and Nov. 1, 2023, you will need to make your elections via Workday for benefits to take effect Nov. 1, 2023 or Dec. 1, 2023. If you do not enroll in 2023 benefits, you will not have coverage for 2024. If you do not want coverage for 2023, but want benefits during 2024, please complete the Open Enrollment process.

Health Plan

The City of Gainesville offers its employees a comprehensive health plan. Presently, the third party administrator is Florida Blue. For the 2024 plan year, there is only one health plan - BlueOptions.

BlueOptions offers members the ability to choose any medical provider they wish. However, participants can maximize their benefits by choosing Network Blue “in-network” medical providers who participate in the Florida Blue PPO provider network.

BlueDental Care Prepaid (DHMO)-F series

The least expensive of the three plans is the BlueDental Care Prepaid (DHMO). This plan offers limited benefits and a limited provider network.

This plan requires the member to select a general dentist from the BlueDental Prepaid provider list and see that provider for all dental care. If the enrollee uses a different provider than assigned, the plan provides no benefit. Members have the option of changing their primary dental provider once every 30 days, if desired.

The member is only responsible for the applicable copayment for covered services. The plan has no waiting periods for major services and it does not cover orthodontics.

BlueDental Prepaid (DHMO)	In Network	Out of Network
Calendar Year Deductible (CYD)	\$0	No coverage
Preventative services	\$0	No coverage
Basic services	See the fee schedule	No coverage
Major services	See the fee schedule	No coverage
Orthodontic services	25% discount for adults and children	No coverage
Waiting period	None	No coverage
Annual maximum	None	No coverage

BlueDental Choice PPO

The BlueDental Choice PPO plan offers a wide variety of benefits and the largest provider networks. Enrollees have the freedom to use any dental provider they choose. The plan pays a higher percentage when services are rendered by a participating provider. The member may experience balance billing for all amounts not paid by the plan when using a non-participating provider.

Participating dental providers are responsible for submitting all claim forms for services provided. The member is responsible for filing all claims for services received from a non-participating provider. The plan has no waiting periods for major services and it does not cover orthodontics for adults age 20 and over.

BlueDental Choice PPO	In Network	Out of Network
Calendar Year Deductible (CYD)	\$50	\$50
Preventative services	\$0	20% of allowance, plus balance billing
Basic services	20% of allowance	50% of allowance, plus balance billing
Major services	50% of allowance	60% of allowance, plus balance billing
Orthodontic services <i>for children age 19 years or younger only</i>	50% of first allowable \$1,000, then 100% of the balance	No coverage
Waiting period	none	none
Annual maximum	\$1,500	\$1,500

BlueDental CoPayment

The BlueDental Choice Copayment plan offers a wide variety of benefits and a moderate provider network. Enrollees have the freedom to use any dental provider they choose. However, the plan rewards members for using a participating provider with a well-defined co-payment fee schedule. Participating dental providers are responsible for submitting all claim forms for services provided.

Services received from a non-participating provider are paid at a percentage of allowed charges and the member is responsible for all amounts not paid by the plan. The member is responsible for filing all claims for services received at a non-participating provider.

The plan has no waiting periods for major services and it does not cover orthodontics for adults age 20 and over.

BlueDental CoPayment	In Network	Out of Network
Calendar Year Deductible (CYD)	\$50	\$50
Preventative services	\$10	30% of allowance, plus balance billing
Basic services	See the fee schedule	50% of allowance, plus balance billing
Major services	See the fee schedule	65% of allowance, plus balance billing
Orthodontic services <i>for children age 19 years or younger only</i>	Cost minus \$1,000	No coverage

* THESE COPAYMENTS DO NOT INCLUDE THE ADDITIONAL COST OF PRECIOUS (HIGH NOBLE) AND SEMIPRECIOUS (NOBLE) METAL.

THE ADDITIONAL COST OF PRECIOUS METAL SHALL NOT EXCEED \$125 PER UNIT AND \$75 PER UNIT FOR SEMIPRECIOUS METAL.

NOTE:

1. NOT ALL PARTICIPATING DENTISTS PERFORM ALL LISTED PROCEDURES, INCLUDING AMALGAMS. PLEASE CONSULT YOUR DENTIST PRIOR TO TREATMENT FOR AVAILABILITY OF SERVICES.
2. WHEN CROWN AND/OR BRIDGEWORK EXCEEDS SIX UNITS IN THE SAME TREATMENT PLAN, THE PATIENT MAY BE CHARGED AN ADDITIONAL \$50.00 PER UNIT.

SPECIALISTS

Should you need a specialist, (i.e., Endodontist, Orthodontist, Oral Surgeon, Periodontist, Prosthodontist, Pediatric Dentist**), you may be referred by your participating general dentist, or you may refer yourself to any participating specialist. Upon identification of yourself as an FCL member, you will receive a 25% reduction from usual and customary fees for covered service performed. Specialist services are available only in areas where the dental plan has a participating specialist.

** Limited to treatment of children up to age 11.

Limitations and Exclusions

1. No service of any dentist other than a participating general dentist or participating specialist will be covered by FCL, except out-of-area emergency care as provided in the certificate.
2. FCL does not provide coverage for the following services:
 - a) Cost of hospitalization and pharmaceuticals, drugs or medications.
 - b) Services which in the opinion of the participating general dentist or participating specialist are not needed to establish and/or maintain the member's good oral health.
 - c) Any service that is not consistent with the normal and/or usual services provided by the participating general dentist or participating specialist or which in the opinion of the participating general dentist or participating specialist would endanger the health of the member.
 - d) Any service or procedure which the participating general dentist or participating specialist is unable to perform because of the general health or physical limitations of the member.
 - e) Any dental treatment started prior to the member's effective date for eligibility of benefits.
 - f) Services for injuries and conditions which are covered and paid for under Workers' Compensation or employers' liability laws.
 - g) Treatment for cysts, neoplasms and malignancies.
 - h) General anesthesia.

Additional Benefits Offered

Short-Term Disability Insurance

Short-term disability insurance is designed to provide partial income replacement should you be out of work due to an illness or injury. Short-term disability coverage does not provide income replacement for a work-related injury. There are benefit limitations for disability due to pregnancy and childbirth. This coverage is only available to the employee, not dependents. The bi-weekly premium will vary based on level of benefit, age and length of elimination period.

Employees must contact the AFLAC representative, Soteria Mallard, at 352-317-3835 for premium quote and enrollment **before** enrolling via Workday.

Supplemental Life

Supplemental voluntary life insurance is offered to City of Gainesville employees through Sun Life Financial. The policy allows employees to purchase life insurance at group rates with the convenience of payroll deduction. Rates are age-banded. Therefore, premiums will vary from person-to-person based on an individual's age and the amount of coverage requested. Premiums are based on the coverage amount and age as of Jan. 1 of the policy year.

If you and your spouse both work for the city, you cannot cover one another as dependents, and only one of you may insure any dependent children. There is an optional Accidental Death and Dismemberment (AD&D) rider equal to the amount of voluntary employee life insurance.

This policy is portable and can be taken with you as a conversion when you leave employment with the City of Gainesville. Term insurance has no cash value accumulated. Rates are for a fixed term and increase as you get older.

As a new hire, spouses and certified/registered domestic partners are eligible for Guarantee Issue Amounts of half the coverage of the employee or \$50,000, whichever is less. Coverage for children is available in amounts of \$1,000, \$5,000 or \$10,000, and your unmarried children from live birth but less than age 19, or less than age 25, if a full-time student may be covered. After 30 days of employment, any elections for the city's supplemental life plans will require new hires to answer health questions for enrollment.

Q. When should I complete an Evidence of Insurability (EOI) application by answering health questions for my Supplemental Life Insurance policy?

A. Please complete an EOI application for your policy by answering health questions, provided you are:

- Enrolling in an employee policy for the first time and the requested coverage amount is more than \$20,000 (outside of new hire)
- Enrolling in an employee policy for the first time and the requested coverage amount is more than \$150,000 (as a new hire)
- Enrolling a spouse for the first time (outside of New Hire) or increasing a spouse's coverage amount
- Increasing a current policy (employee) by more than a \$10,000 increment
- Increasing by \$10,000 and you are enrolled in a policy over \$150,000
- Increasing a current policy (child)
- Enrolling children for the first time

Q. Where can I find the Evidence of Insurability application?

A. Please use the link in Workday. This link will direct you to our external vendor portal where you may complete the health questionnaire.

Q. What will happen if I do not complete an EOI as required?

A. Your supplemental life plan **will** be removed from your benefit elections or reduced to a lower coverage amount.

Family and Medical Leave Act (FMLA)

Please contact Employee Health Services if you qualify for FMLA. They will help you get started with this process.

Eligible employees may take a maximum of 12 weeks of family and medical leave each calendar year. Certification must be obtained from a health care provider and approved by Employee Health Services. This leave may be paid (if applicable leave is available) or unpaid. The FMLA Leave Year is defined as the 12-month period measured forward from January 1 each year. FMLA will be granted for:

- The birth of a child and care for a child within 12 months following the birth.
- The placement of a child with the employee. Leave must be taken within 12 months following placement.
- To care for the spouse, child, or parent of the employee who has a “serious health condition.”
- If the employee is unable to perform his or her own job because of the employee’s own serious health condition.
- An eligible employee who is the spouse, son, daughter, parent or next of kin of a covered service member, as defined by the FMLA, who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This military caregiver leave is available during “a single 12-month period” during which an employee is entitled to a combined total of 26 weeks of all types of FMLA leave.
- An employee who exceeds the 12-week FMLA period and is placed in a “Leave without Pay” status, will become ineligible for benefits. Subsequently, the employee’s benefits will be terminated. When the employee returns to work, the benefits will be reinstated, and the employee will be responsible for any missed deductions. Should the employee choose not to return to work, then the balance will be deducted from the last paycheck or the pension refund of a non-vested employee. If vested and the employee terminates employment, any outstanding premiums owed will be billed to the employee and will be assigned to an external collections agency, if not paid.

Flexible Spending Accounts

The City of Gainesville offers two flexible spending accounts (FSA) for its employees: a medical reimbursement account and a dependent care reimbursement account. These accounts allow employees to set money aside to pay for health care or dependent care expenses on a pre-tax basis. Any reimbursement from the account is also tax-free. Important note: These contributions are deducted from your earnings prior to calculation of federal taxes. The employee determines the annual amount they wish to contribute. The annual contribution amount is divided by 26, the number of paychecks per year, and deducted from the employees pre-tax earnings over the course of the year.

Flexible spending accounts are “use it or lose it” accounts. Any amounts not used by the end of the plan year are forfeited. A mandatory bi-weekly administration fee of \$1.75 must be paid in addition to your bi-weekly medical and dependent care reimbursement account deduction.

Medical Reimbursement Account

A medical reimbursement account can be used to offset eligible medical, dental or vision expenses incurred by you, your spouse or eligible dependent children. Expense eligibility is determined by the Internal Revenue Service. Examples of eligible expenses are deductibles, co-payments and co-insurance payments. The employee has access to 100% of the elected contribution amount January 1, 2024. The annual maximum for 2024 is \$3,050.

In order to be eligible for reimbursement, services must be performed/received between January 1, 2024 and March 15, 2025 and while you are an active participant in the account. All claims for reimbursement from a 2024 account must be received by Benefit Strategies Voya no later than May 31, 2025. All participants will receive a debit card for health-related expenses. Should you want more than one card, please contact Benefit Strategies Voya (additional fees apply). New cards are issued once your current one expires; check the expiration date on the front of your card. **Some common examples of expenses you might have are:**

- Calendar year deductibles
- Co-payments and co-insurance
- Prescriptions
- Dental fees and services and/or orthodontic fees
- Eye exams, glasses, contacts and/or Lasik
- Hearing Aids

Dependent Care Reimbursement Account

The Dependent Care Reimbursement Account gives the employee an opportunity to set aside pre-tax dollars to pay for qualifying dependent daycare expenses. Presently, the maximum one can contribute to this account this year is \$5,000. A Dependent Care Reimbursement Account may be right for you if:

- You incur daycare expenses so you can work or look for work.
- You are married and you incur daycare expenses so you can work full time and your spouse can work or go to school full time.
- You incur daycare expenses so you can work full time and your spouse, legal dependent or elderly parent is incapable of self-care.

Expenses eligible for reimbursement include the cost of care for dependents who meet the IRS definition of a dependent as follows:

- Charges for care of dependents under the age of 13, who reside in your household.
- Charges for the care of dependent adults or children, who are mentally or physically incapable of self-care, and spend at least eight hours a day in your household. You must provide proper documentation of such conditions.
- The cost of summer camp tuition if it is a day camp.
- The Dependent Care Reimbursement Account is a “dollar in, dollar out” type of account where an employee can only be reimbursed the amount currently contributed. All claims for reimbursement from a 2023 account must be received by Benefit Strategies Voya no later than May 31, 2024.

City Defined Benefit Pension Plans

The City of Gainesville maintains two defined benefit pension plans for its employees. The Consolidated Police Officers' and Firefighters' Retirement Plan covers any full-time regular employee who is certified as a firefighter as a condition of employment or any full-time regular employee who is certified or required to be certified as a law enforcement officer for the City of Gainesville. All other regular employees of the City of Gainesville are covered under the General Pension Plan.

Participation in either pension plan requires a mandatory contribution from both the employee and the City of Gainesville. The city takes responsibility for producing the needed level of investment returns to meet the current and future pension benefit obligation of its retirees. Currently employees covered by the Consolidated Police Officers' Plan contribute 7.5% and employees in the Consolidated Firefighters' Retirement Plan contribute 9% of earnings during participation in the Plan. Those covered by the General Pension Plan are required to contribute 5% of earnings during participation in the Plan. Contributions cease when an employee enters the Deferred Retirement Option Program (DROP).

These plans are tax-qualified defined benefit plans. Because the plans are tax-qualified, you will not pay any income tax currently on the contributions you make to that plan. Instead, you will be taxed when you receive benefits under the plans, at which time you may be in a lower tax bracket than during your peak earning years. Because the plans are defined benefit plans, your ultimate benefit depends upon factors such as your compensation level, years of service, and the form in which your benefits are paid.

The plans are designed to provide a measure of economic security for retirement in addition to that provided by Social Security and your own personal savings. You are encouraged to establish and maintain your own retirement savings program and not to rely solely on Social Security and employer provided retirement benefits.

Although both plans are very similar in how they work, each plan has different criteria to define eligibility, plan multipliers for benefit calculation, COLA eligibility and DROP eligibility.

Summary Plan Descriptions for all plans are located on the City of Gainesville website, under the Financial Services Department, at www.GainesvilleFL.gov, and the Community Builder Hub. These Summary Plan Documents (SPD) are updated every two years.

Supplemental Retirement Planning

Retiree Health Saving (RHS)

The City of Gainesville provides a Retiree Health Savings (RHS) plan, regulated by the IRS, which serves as a tool to help employees save money for post-employment medical expenses. The following are the mandatory amounts contributed to an RHS account on a bi-weekly basis:

- Regular employees (excluding Police, Fire, and CWA): 0.5%
- CWA covered employees: 1.5%
- Police Lieutenants: 5%
- Fire District Chiefs: 2%

The money deposited into the account goes in tax-free, the earnings on the account grow tax-free, and the best part is, when you make a withdrawal for qualified medical, dental, vision, or long-term care expenses, the reimbursements from the account are tax-free.

A qualified expense is any out-of-pocket expense related to your health plan such as deductibles, co-pays, non-cosmetic dental and vision services. Reimbursement can be made for the account holder and any eligible dependents. The money in the account can start being withdrawn when the employee retires (or leaves employment).

457 Deferred Compensation Plan

In addition to the city's pension plan, employees may also contribute to a 457 Deferred Compensation Plan to help build additional income for retirement. Employees can save tax-deferred money for retirement with the convenience of pretax payroll deductions. Contributions are taxed only upon withdrawal from your account and there is no penalty associated with the withdrawal of your 457 money after leaving employment. Withdrawal may not be made while you are still employed except under an extreme hardship condition as defined by the IRS. You control your investments and have several investment options available to you. Annual maximum regular contributions are presently \$23,000. If you are over the age of 50, you may contribute an additional \$7,500 per year. There is also a catch up provision available to those who are within four years of normal retirement. Contributions may be either a set dollar amount or a percent of your earnings.

Roth IRA*

Employees are also able to contribute to a Roth IRA through payroll deduction. Contributions in a Roth IRA are made after taxes; however, the growth is tax free and, if the account is held for five years and you are age 59 1/2, you will not pay taxes on the amount you withdraw from your account. At any time, the Roth IRA owner may withdraw up to the total contributions (in nominal dollars) without penalty. Withdrawal of the earnings prior to the above mentioned rules will result in federal income tax plus a 10% penalty on the amount. You control your investments and have several investment options available to you. Regular contributions are currently \$7,000. If you are age 50 you may contribute an additional \$1,000. Contributions can only be made as a set dollar amount. (Contribution limits for the upcoming year are published mid-October of each year).

*** Enrolling in ROTH IRA:** If you are enrolling in an IRA, please make sure you enroll on Mission Square's website (www.missionsq.org) first, and then enroll in Workday or your election cannot be honored.

Roth 457

Contributions to a Roth 457 is a new option this year! In addition to potentially tax-free distributions in retirement, the ability to make Roth contributions to your 457 plan has the following benefits:

- **Higher after-tax contribution limits than Roth IRAs** - 457 plans allow for greater after-tax savings.
- **Eligibility at all income levels** - Unlike Roth IRAs, everyone with earned income is eligible to make Roth contributions to a 457 plan.
- **Tax planning** - Having both pre-tax assets and Roth assets available in retirement can be a valuable benefit, allowing you to choose the source of funds most advantageous to your situation at the time of the distribution.

What are my options if I leave the City?

Cobra Continuation Coverage

Under COBRA—the Consolidated Omnibus Reconciliation Act of 1985, Title X, terminated employees and their eligible dependents may continue group health plan coverage. We urge you to read this description of the “continuation coverage” option carefully, and to make sure you read and understand the rights and responsibilities in connection with this continuation of coverage.

The Benefits

If you are currently covered under the City of Gainesville Health Plan, your benefits will terminate at the end of the month of employment termination. However, you will be entitled to continue your and your family’s health plan coverage for up to 18 months from the date of coverage termination (voluntary or involuntary termination). The 18-month period may also be extended if other events (such as a death or divorce) occur during that 18-month period. Dependents who no longer qualify as dependents under the City of Gainesville Health Plan are eligible to apply for continuation of coverage. If you should die or become divorced, and if your spouse and dependents are covered by the City of Gainesville Health Plan at that time, they are entitled to continue health coverage for up to 36 months. If you have a newborn child, adopt a child or have a child placed in your home (for whom you have legal financial responsibility), while your COBRA continuation is in effect, you may add this child to your coverage.

When Coverage Ends

If you or covered members of your family become entitled to Medicare or are covered under another employer-sponsored health plan, which does not limit coverage due to preexisting conditions, the continuation coverage from the City of Gainesville Health Plan will cease. In addition, your coverage will cease if City of Gainesville should terminate the Health Plan or you cease to pay premium. Once the period of coverage continuation has expired, anyone receiving continuation coverage will be eligible to convert to individual policies, as provided under the City of Gainesville Plan.

Termination of Benefits - Accounts will be reconciled

Terminating employees will have their benefits calculated based upon the monthly (not bi-weekly) cost of the benefit to reconcile accounts owed to the city.

Monies Owed Collections

When a non-vested employee terminates, pension contributions will be refunded. If the employee is vested, the remaining premiums owed will be collected from the final paycheck. If there is not enough money to cover the cost of the premiums, the employee will be billed. If payment is not tendered, the account will be assigned to a collection agency.

Work & Life

The City of Gainesville strives to offer its employees a comprehensive benefits package. The benefits include paid holidays, a variety of leave time, tuition reimbursement, access to health, dental and vision insurance, deferred compensation, supplemental retirement accounts and much more.

Paid Holidays

All regular employees receive the following paid holidays:

- New Year's Day
- Memorial Day
- July Fourth
- Veterans Day
- Day after Thanksgiving
- MLK's Birthday
- Juneteenth
- Labor Day
- Thanksgiving Day
- Christmas Day

CWA and MAP employees receive one additional holiday, to be determined by City Administration. Employees covered by collective bargaining agreements should refer to their unit contract for additional holiday information.

Jury Duty

Any employee who is required to perform jury service during his or her normal working hours in a county, state or federal court will be paid their regular rate of pay for the period of such service.

Bereavement Leave

In the event of a death in an employee's immediate family (as defined in HR Policy Number L-2 or appropriate collective bargaining agreement), they may be granted bereavement leave with pay for up to a maximum of three working days.

Banking

City employees may become members of the Alliance Credit Union of Gainesville. SunTrust Bank offers free personal checking to city employees with payroll direct deposit, as well as offers other bonuses and discounts.

Training Classes

Gainesville Corporate University (GCU) strives to create a learning environment designed to meet the developmental needs of all employees. GCU provides learning opportunities designed to address everything from technical knowledge to professional and leadership development. Classes are available to employees at no cost.

Military Leave

Reserve or Guard Annual Training

The city shall grant a military leave of absence with pay to any employee called to temporary active or inactive duty for:

- Annual training with the National Guard
- A reserve unit of the United States Military
- Attending evening or weekend military training which conflicts with their work schedule
- Time off shall be granted for the purpose of attending military training for the period not to exceed 240 working hours in any one calendar year

Reserve or Guard Active Military Service (not annual training)

- The city shall grant military leave of absence to any employee called to active military service (not annual training) with the National Guard or military reserve unit of the United States.
- For the purpose of active military service, the first 30 calendar days of any such leave of absence shall be with full pay from the city.

Personal Leave

An employee may be granted personal leave for a period of time not to exceed a total of one year, for the following reasons:

- Family health-related problems not defined within the FMLA policy, or beyond the time limits of the FMLA
- Military leave not covered under the Military Leave Policy (HR Policy L8)
- Education
- Extenuating personal reasons
